

Pesticide Recertification Courses 2007

Sponsored by
Integrated Plant
Protection Center
and
Oregon State University
Extension Service

November 23, 2006

To: Oregon Commercial and Public Pesticide Applicators,
Pesticide Consultants, Operators, and Dealers

Annually, the OSU Extension Service offers training related to pest and pesticide management. While these training courses permit pesticide applicators to earn credits towards pesticide license recertification, our purpose is more than simply maintaining a license. As we learn more about pest and pesticide management, we can utilize pesticides in a more responsible, effective, and efficient manner. This makes good sense for agriculture, forestry, the general population, and the environment.

Course programs in this catalog are as complete as possible. Recertification credit hours have not been confirmed by the Oregon Department of Agriculture in all cases. However, our estimates should be close.

Remember, ODA is the institution granting a pesticide license. Since 1978, ODA has provided two methods by which pesticide applicators and consultants may become recertified: 1) successfully complete the required examination(s), or 2) attend short courses or other training programs approved by ODA for this purpose.

In order to become recertified by the credit hour accumulation method, an individual must accumulate a total of 40 credit hours during their five-year certification period. A maximum of 15 credit hours will be recognized in any one calendar year. If you have questions about recertification credits please call ODA, Pesticides Division at (503) 986-4635. For greater clientele convenience, exams for pesticide applicators are now administered in most community colleges. For specific information on these testing sites, call ODA, Pesticides Division. Much of this information is available on ODA's website at: <http://oregon.gov/ODA/PEST/html>.

To reduce costs, a single registration form is provided in this catalog. Course registration may vary, so **please pay close attention to the instructions given in each course outline.**

Suggestions and comments for improving the overall quality of these training programs should be directed to Tim Stock, IPPC/OSU, 2040 Cordley Hall, Corvallis, Oregon, 97331-2915, tel. (541) 737-6279 or 737-3541.

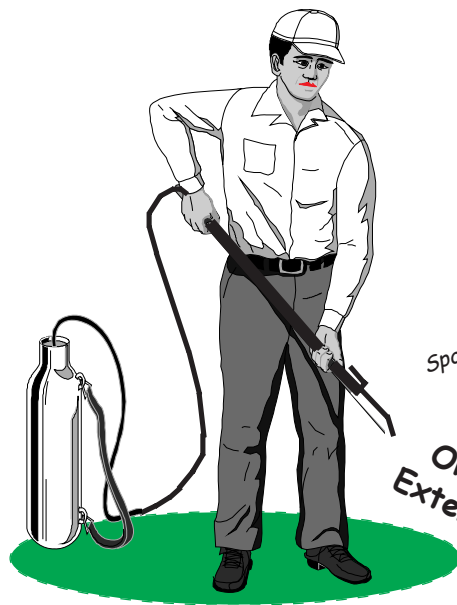

Sincerely,

Tim Stock, Coordinator
Pesticide Safety Education Program

**CHEMICAL APPLICATORS
SHORT COURSE**

Holiday Inn Portland Airport
8439 NE Columbia Boulevard, Portland OR
January 9-10, 2007

Fee: \$160-two days,
\$90-one day
After January 2: \$200-two
days, \$115-one day
15 credit hours anticipated for
OR, WA, CA, ID

Tuesday, January 9, 2007

- 0700 Registration - Holiday Inn Convention Center
0800 Pesticides in surface waters of the Pacific
Northwest: an overview of USGS
regional findings
0845 Pesticide legislative update - Federal/State
0915 How to choose and use fungicides
1000 Break
1015 Control of marehail, crabgrass, and
Japanese knotweed in industrial and
right-of-way settings
1045 Hazcom / Right-To-Know
1130 Case study: The Carpenter Lane Coalition
and Nurseries in Multnomah County
1200 Lunch (*included in registration*)
1300 Learning from the past year's
pesticide violations
1345 PURS is now active: latest updates
and tips on reporting
1430 Adaptive management of weeds in natural areas
1515 Break
1530 Invaders you want to keep out of the state:
the work of the Oregon Invasive Species
Council
1615 Control of yellowjackets and other
stinging insects
1700 Adjourn

Wednesday January 10, 2007

- 0800 Noxious weed update
0845 Forest Park weed management
0915 Horticulture and invasive weeds
1000 Break
1015 The top 10 reasons your pre-emergence
herbicide failed
1100 DEQ's Pesticide Collection Events
1115 Community partnerships to reduce
impacts of pesticides on water quality
1200 Lunch (*included in registration*)

General Session

- Chauncey Andersen, USGS
Oregon Water Science
Center
Terry Witt, Oregonians for
Food and Shelter
Jay Pscheidt, OSU Extension
Plant Pathology Specialist
Bruce Alber, Wilbur-Ellis
Tomas Schwabe, OR-OSHA
Michael Babbitt, Oregon
Dept. of Agriculture
Michael Babbitt, Oregon Dept.
of Agriculture
Sunny Jones, Oregon
Department of Agriculture
Jason Dumont, The Nature
Conservancy
Sam Chan, OSU Extension /
Oregon Seagrant
Glenn Bissel, Alpine
Pest Management

General Session

- Tom Forney, OR Dept. of Ag
Sandy Diedrich, No Ivy League
James Altland, OSU
Extension, Horticulture
James Altland, OSU Extension,
Horticulture
Gene Foster, Dept. of
Environmental Quality
Gene Foster, Dept. of
Environmental Quality

| 1600 | Adjourn | |

*****BREAKOUT SESSIONS*****

Wednesday, January 10

Structural Pest Control Breakout Session - Salon A

- | | | |
|------|--|--|
| 0800 | Methyl bromide update | Dan Ayers, Chemtura |
| 0900 | Subterranean termite treatment: what you don't know can hurt you | Vernard Lewis, UC Berkeley
Dept. of Insect Biology |
| 0950 | Break | |
| 1005 | How and why IPM does not work in structural settings | Jack Marlowe, Eden Advanced
Pest Technologies |
| 1050 | Bedbugs: biology and control thereof | Eric Siljander, Simon Fraser
University, British Columbia |
| 1200 | Lunch (<i>included in registration</i>) | |
| 1300 | Return to general session in Convention Center | |

Aerial Applicator Breakout Session - Mt. Bachelor

- | | | |
|------|--|---|
| 0800 | Lawsuits and laws related to buffers for aerial applicators in Pacific NW | Kurt Spingath, NW
Forest Solutions, Inc. |
| 0900 | Weapons of mass destruction and terrorism issues for aerial applicators | Wade Mutchler, FBI |
| 1000 | Break | |
| 1015 | Accident prevention: we can learn from our mistakes and human causal factors | Mike Benedict and Tim Moon
FAA |
| 1115 | Aerial application in the forest environment | Mike Totey, Oregon Dept
of Forestry |
| 1200 | Lunch (<i>included in registration</i>) | |
| 1300 | Return to general session in Convention Center | |

Special room rate at Holiday Inn Portland Airport Hotel: \$79 single or double (plus tax). Make your reservations at (503) 256-5000 - mention OSU Chemical Applicator Short Course

NOTE: The use of notebook computers and portable DVD players during the course has become a distraction to many participants. Because of this, they will not be allowed in the sessions.

Mail registration form and payment payable to **OSU Chemical Applicators** to:

Tim Stock
Integrated Plant Protection Center
Oregon State University
2040 Cordley Hall
Corvallis OR 97331-2915

For more information contact:
Linda Parks, (541) 737-3541
Fax: 541-737-3080
email: parks@science.oregonstate.edu

**INTERMOUNTAIN PEST MANAGEMENT
SEMINAR**

College Union Auditorium
Oregon Institute of Technology
Klamath Falls OR
January 11, 2007

Fee: \$40
After January 2: \$50
8 credit hours anticipated

Thursday, January 11, 2007

0700 Registration

Session Chair (AM) - Brian Charlton, OSU Klamath Basin Research and Extension Center

0800 Pesticide violations: case studies
on what not to do

Janet Fults, Oregon Dept.
of Ag (Laws & Regs Section)

0900 Application technology using online tools

Paul Jepson, Oregon State Univ.

1000 Break

1015 Understanding pesticide fate and effects for
the protection of water resources

Jeff Jenkins, Oregon State Univ.

1115 Pesticide Use Reporting System plus new rules
on the horizon.

Janet Fults, Oregon Dept.
of Ag (Laws & Regs Section)

1215 Lunch (*included in registration*)

Session Chair (PM) - Rich Roseberg, OSU Klamath Basin Research and Extension Center

1315 Noncrop weed control: spray and pray or is there
a better way?

Rob Wilson, University of California

1400 Weed resistance and shifts in Roundup Ready
alfalfa

Steve Orloff, University of California

1445 Break

1500 Spray coverage, dirft, nozzles and droplets

Ken Giles, University of California

1545 Product updates - chemical company reps

Speaker TBA

1700 Adjourn

Additional program information will be available on the OSU Klamath website at: [http://
extension.oregonstate.edu/klamath/](http://extension.oregonstate.edu/klamath/)

The Shilo Inn offers rooms to program participants at a special conference rate. For room reservations call 1-800-222-2244, email reservations@shiloinns.com or visit their website at www.shiloinns.com/reservations.html

Send registration form and payment payable to **Agricultural Research Foundation** to:

OSU Extension
3328 Vandenberg Road
Klamath Falls, OR 97603

Fax: 541-883-4596

**OSU EXTENSION SOUTHERN OREGON
RECERTIFICATION WORKSHOP**
Red Lion Hotel - 200 N Riverside
Medford OR
January 17-18, 2007

Fee: \$90
After January 10, \$110
10-12 credit hours anticipated
for OR, WA & CA

Wednesday, January 17, 2007

- 0730 Registration
0800 Introduction, purpose, expected outcomes

0810 New fully implemented pesticide reporting requirements
0840 Marion County's integrated vegetation management program
0940 Learning from pesticide violations

1015 Break
1030 Controlling woody brush
1115 Noxious weed control in open areas

1205 Lunch (*included in registration*)
1300 Drift avoidance and management
1400 Moss control in parks and golf courses

1500 Break
1515 Reducing the ecological impact of pesticides
1600 Correct weed identification is critical to good control
1700 Adjourn

Phil VanBuskirk, OSU, Southern Oregon Experiment Station
Ron Simeroth, Oregon Department of Ag
Tom Shamberge, Marion County Public Works
Dale Mitchel, Oregon Department of Ag

Bruce Kelpsas, Helena Chemical Co.
Kurt Spingath, NW Forest Solutions, Inc.

Paul Jepson, OSU, IPPC
Brian McDonald
OSU-Lewis Brown Farm

Paul Jepson, OSU, IPPC
Ed Peachey, OSU, Dept. of Horticulture

Thursday, January 18, 2007

- 0800 Oregon OSHA: Compliance and training for pesticide workers and applicators
0900 Turf and ornamental maintenance

1000 Break
1015 Garlon 4A & 4E and Milestone: two new Dow products
1045 Plateau and habitat: modes and actions
11:15 IPM in public institutions, including schools

1200 Adjourn

Tomas Schwabe, OR-OSHA

Gina VenPelt, United Agricultural Products

Bob Stewart, Dow Agro Sciences
John Smith, BASF
Lonnie Anderson, Terminix International

Mail registration form and payment payable to **Ag Research Foundation** to:*

Phil VanBuskirk

Wednesday, January 31, 2007

0800	Latest challenges from the EPA: container containment, ESA labels and more	Janet Fults, Oregon Dept. of Agriculture
0845	How to choose and use fungicides	Jay Pscheidt, OSU Extension Plant Pathology Specialist Eric Hesketh, USDA/NRCS
0930	WIN-PST	
1015	Break	
1030	Horticulture and invasive weeds	James Altland, OSU Extension, Horticulture
1115	The top 10 reasons your pre-emergence herbicide failed	James Altland, OSU Extension, Horticulture
1200	Lunch (<i>included in registration</i>)	
1300	Beautiful invaders: ornamental noxious weeds of Western Washington	Beth Myers-Shenai, OR Dept. of Agriculture
1400	Learning from the Fifteen-Mile Creek pesticide spill	Dan Heister, US EPA Region 10
1445	DEQ's pesticide collection events	Gene Foster, Dept. of Environmental Quality
1500	Break	
1515	Community partnerships to reduce impacts of pesticides on water quality	Gene Foster, Dept. of Environmental Quality
1600	Adjourn	

Motels offering conference rates:

Corvallis Inn (541-753-9151) \$49 (single)/\$59 (double) plus tax

Days Inn (541-754-7474 or 800-432-1235) \$56/\$61 plus tax

Super 8 Motel (541-758-8088 or 800-800-8000) \$52.59 plus tax

Hilton Garden (OSU Campus) (541-752-5000) - ask for OSU rate: \$89 plus tax

****Note:** There is no longer free parking at OSU. You must purchase daily parking permits at Western Avenue entrance to the football stadium parking lot. Not advisable to enter from 26th St.

WEED SHORT COURSE

Lane Community College - Bldg 19
Center for Meeting and Learning
4000 East 30th Ave, Eugene OR
February 6-7, 2007

Fee: \$76
After January 25: \$88
(no refunds)
12 credit hours anticipated

Tuesday, February 6, 2007

0700	Registration	
0800	Introductions, purpose, expected outcomes	Ross Penhallegon, OSU
0815	Principles of invasive weed control	Leslie Grims, East Lane Soil & Water Cons. Dist.
0845	Oregon invasive weed management	Vern Holm, NW Oregon Invasive Weed Mgmt
0930	Learning from violations	Laurie Gordon, ODA
1030	Break	
1045	Pesticide Use Reporting System	Laurie Gordon, ODA
1115	Controlling weeds in the McKenzie River Trust	Jodi Lemmer
1215	Lunch (<i>included in registration</i>)	
1315	Fire resistant plants for home landscapes	Stephen Fitzgerald, OSU
1400	Oregon's A B and C list of weeds	Glenn Miller, ODA
1445	Break	
1500	Biological controls in Oregon. Their status, successes and failures.	Eric Coombs, ODA
1600	Controlling weeds in Oregon	Glenn Miller, ODA
1700	Adjourn	

Wednesday, February 7, 2007

0730	Registration	
0800	Introductions, purpose, expected outcomes	Ross Penhallegon, OSU
0805	The control of weeds along Lane County roads	Orin Shumacher, VMAC
0845	Controlling weeds without the use of herbicides or chemicals	Megan Temple, NCAP
0915	Weeds - do they have any good qualities?	George Constantine, OSU
1000	Break	
1015	Control of weeds along Oregon waterways	Paul Millard, Consultant
1100	Weed ID - identification and group effort	Richard Halse, OSU
1200	Adjourn

Oregon Pesticide Safety Education Manual

The *Oregon Pesticide Safety Education Manual* is the basic manual for all pesticide applicators in Oregon—it replaces the publication, *Oregon Pesticide Applicators Manual*. The sale price for the manual reflects production and distribution costs incurred by the OSU Extension Service.

This newly revised 273 page reference manual will help prepare you for the Oregon "private applicator" and the "laws and safety" examinations, administered by the Oregon Department of Agriculture. Questions for these exams will be taken from material presented in this manual. This manual is also intended to serve as a reference source for those who are already certified to apply pesticides.

How to Order

A newly revised edition of this manual is available. To order, contact:

Publication Orders, Agricultural Communications
Oregon State University, Admin. Services A422
Corvallis, OR 97331-2119
Phone: (541) 737-2513 Fax: (541) 737-0817
